2017 BTD-9 4-H ROUNDUP SHARE-THE-FUN CONTEST

Contest and Category Descriptions

ENTRY: INDIVIDUAL OR GROUPS (Maximum of nine participants) – Celebrate 4-H, Choreographed Routines, Dramedy, Musical/Instrumental, Poetry/Prose, Solo/Band Performance, and Vocal

OBJECTIVES:

- To provide an opportunity for 4-H youth to develop a spirit of cooperation through working together to develop self-confidence through public appearance.
- To stimulate interest and encourage a broad-based recreation program in Texas 4-H at the club and county level.
- To encourage 4-H members to discover and develop their talents.
- To provide for social, cultural, and leadership development of 4-H youth.

CATEGORY DESCRIPTIONS:

1. **CELEBRATE 4-H.** An entry may consist of one (1) to nine (9) participants. May be a 4-H based story line, promoting 4-H, community service, a project or activity. This category may also address a specific youth issue and present ways in which this issue can be addressed through 4-H efforts. May incorporate music, vocal selections, and/or choreographed routines but these aspects cannot be more than half of the performance. Skits can be humorous, creative and make fun of but not degrade Extension employees or the 4-H program. All 4-H members entered in the category must be a part of the act. Judged on material chosen, talent, creativity, showmanship, costumes and props. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.
2. **CHOREOGRAPHED ROUTINES.** An entry may consist of one (1) to nine (9) participants. No speaking to form a skit or story line. The act requires choreography and can be demonstrated through twirling, pom pom squad routines, jump rope teams, basketball dribbling exhibitions, or dance (jazz, tap, country & western, ballroom, etc.). Sign language presentations to music have been added to choreographed routines. However, if a participant is SINGING and SIGNING, this entry should be entered in the Vocal Category. All 4-H members entered in the category must be a part of the act. Acts may use recorded music on CD or digital music player, but may not use an accompanist. Judged on material chosen, talent, uniformity, creativity, showmanship, costuming, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.
3. **DRAMEDY.** An entry may consist of one (1) to nine (9) participants. This is an acting category. A dramedy (also known as a comedy-drama or comedic drama) is an act that combines elements of comedy and drama, having both humorous and sometimes serious content. **Acts cannot incorporate 4-H related material or theme.** (Otherwise, it would be categorized as Celebrate 4-H.) Skits can be currently available scripts, original material, or a combination of the two. Humor and creativity are encouraged, but the degradation of any individual or organization is not permitted. May incorporate music, vocal selections, and/or choreographed routines, but these aspects cannot be more than half of the performance. Judged on material chosen, talent, creativity, showmanship, costumes and props. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.
4. **MUSICAL/INSTRUMENTAL.** An entry may consist of one (1) to nine (9) participants. Musical presentation may be musical instruments accompanied by background recorded music or an instrumental performance only. No accompanist will be allowed. Participants may not sing or incorporate a skit, poetry, prose, or choreography with their act. Judged on talent, showmanship, musical presentation, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

5. **POETRY/PROSE**. An entry may consist of one (1) to nine (9) participants. Acts which showcase poetry or prose are required. The act may NOT incorporate vocal, musical, and/or choreographed routine. This category does not require 4-H related material, however, if an original poem or prose piece showcasing 4-H is written, this would be acceptable. Every 4-H member entered in the category must be a part of the performance on stage. All material must be memorized. No script may be used during the performance. Judged on material chosen, message, talent, presentation style, props/costuming. Four (4) minutes total for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

Defining Poetry and Prose: Poetry is generally characterized by structured meter and rhyme that tells a story or provides a message to the reader. Prose is distinguished from poetry by its greater variety of rhythm and its closer resemblance to the patterns of everyday speech. Another description might be an excerpt from a larger piece such as a play or book.

6. **SOLO/BAND PERFORMANCE**. An entry may consist of one (1) to nine (9) participants. This act incorporates a combination of vocal and musical/instrumental talents. Acts that are vocal only or musical/instrumental only is not to be entered in this category. All 4-H members entered in the category must be a part of the act by playing a musical instrument, singing, or both (solo performance must play an instrument and sing). Participants **MUST** incorporate singing in the acts, but cannot incorporate skits, poetry, or prose. They may, however, move around the stage and incorporate choreography with their presentation for the purpose of enhancing their showmanship. Judged on talent, showmanship, musical presentation, vocal presentation when applicable, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.
7. **VOCAL**. An entry may consist of one (1) to nine (9) participants. Vocal presentation may be done a cappella or with an accompaniment CD, iPod, or other mp3 player. No accompanist will be allowed for this category. All members in the act must be singing. No lip sync will be allowed. Contestants may not present skits, poetry or other speaking during the act. They may, however, move around the stage and incorporate choreography with their presentation for the purpose of enhancing their showmanship. Sign language may be added to enhance the performance, but entries that strictly showcase sign language without vocal presentation are not permitted in this category. They must be entered in Choreographed routines. Judged on talent, showmanship, vocal presentation, and material chosen. Four (4) minutes for set-up and break down; maximum of six (6) minutes for presentation for a total of ten (10) minutes per act.

2017 BTD-9 4-H ROUNDUP SHARE-THE-FUN CONTEST

Definitions of Terms for Score Sheets

The information below is a guide for scoring. Each term used on the score sheets is defined in an effort to clarify what is expected in each performance category. There is a score sheet for each of the six (6) categories.

Inappropriateness in any category is not permitted and would change the score of that particular area dramatically and could lead to disqualification. For example, a brilliantly executed skit that depends upon the use of foul language would not be acceptable. Any inappropriate reference to sex, age, or handicap will lead to disqualification.

MATERIAL CHOSEN – This area refers to the appropriateness of the material selected. A vocalist should select the song that is within his/her voice range; a pianist should pass up the “showy” difficult piece for one he/she will play well. Material chosen also refers to the appropriateness of the selection for presentation before a 4-H audience. **The target audience should be around 13 years of age and be PG or G rated.**

TALENT – This is the performer’s actual ability to do what the activity or skill requires. In any musical classification, this includes items such as the quality of music tones, intonation, manner of uttering tones with regard to rise, fall, pitch, harmony, rhythm and any other attributes of an artistic presentation. In choreographed routine, it includes rhythm, timing appropriate gestures, memorization and artistic delivery. Judges should be aware that some of the performers have not had formal training.

CREATIVITY – Creativity is the ability to produce something new, unique, or original. An act may be original in the way it was developed and/or interpreted. Sometimes the act itself may not be original, but the costuming, staging, or delivery may show creativity. Additionally, the quality of the creativity should be measured.

SHOWMANSHIP – Showmanship is the stage personality of the performer. It can include poise, confidence, facial expression, projection of voice, projection of music, body movements, gestures, and the performer’s stage presence, depending on the category (see score sheets for specific criteria). It is the performer’s communication with the audience at all times. It is his/her ability to make smooth entrances and exits, to avoid awkward pauses, and to acknowledge the applause of the audience. It is the use of the microphone and special stage props if these are a part of the act. In general, it is the whole personality of the performer while he/she is on stage.

COSTUME AND PROPS – Costume and props should be appropriate and supportive of the act. For some acts, street clothes may be the most appropriate costume. If the special costumes are used, they should contribute to the effectiveness of the act. Props are the back drop and/or other items used to add character and meaning to the presentation. See rules #8-10 under “General Rules & Information” for more details on the appropriate size of props and items that cannot be used.

MESSAGE – Communication of an idea or theme. What is the underlying message that will be taught or presented?

PRESENTATION STYLE – Method of acting; distinctive or characteristic manner; overall excellence; skill or grace in performance and/or appearance.

VOCAL PRESENTATION – Exercising the power of producing voice, speech or sound, expressing one’s self as to relate to character or message being portrayed.

MUSICAL PRESENTATION – Music selected is appropriate to the skill level of the individual or group; sound level of the musical presentation is at an appropriate level; instruments are tuned properly.

UNIFORMITY – Consistency in formation; presenting a consistent appearance; in step; synchronized.

AUDIENCE APPEAL – Evokes reaction from audience that is desired from the performance (laughter, clapping, serious, quiet)
