In the example picture the item was nail clippers. The event item will be something accessible to everyone.
8. The measurement must be readable in the uploaded photo. It is advisable to take multiple photos and post the best to ensure that at least one is readable.
9. You are allowed to catch as many fish as possible. Your top bass/catfish (based on length) will be used for the tournament.
10. We encourage participants to fish with a buddy or as a club. Fishermen must be supervised at all times for safety reasons.
11. All fish pictures must be posted by the finish time.
