

Home Screen

The Home Screen feature allows the county manager to see a quick snapshot of the program and number of items that need attention.

Reviewing the Manager Home Screen

1. Click Home in the navigation pane.
2. There is a list of the number or records in various enrollments statuses, event registrations and screenings that are waiting for approval.

The screenshot shows a user interface for a county manager. At the top, there is a name tag for 'Hidalgo'. Below it is a table with the following data:

Enrollment Incomplete	1
Enrollments Submitted	1
Enrollments Approved	0
Enrollments Resubmitted	0
Enrollments Reject And Locked	0
Event Registrations To Review	0
Screenings To Review	0
