

Project Aliases

The Projects section allows County Managers to create project aliases for existing institution created projects. Actual projects cannot be altered.

Creating a Project Alias

1. Click on the Projects tab in the navigation pane.
2. Click the +Add Project Alias to County button.

3. Select the Project name from the drop-down menu.
4. Enter the County Alias Name for the project.
5. Enter a description of the project
6. Enter the URL for information on the project.
7. Click the Save button to save the information or click Cancel to return to the previous screen without saving.
