*This email is being sent blind copy to all contestants that are entered in the 2023 BTD9 Veterinary Science Skill-A-Thon.*

Howdy!

We are excited to have you participate in our Veterinary Science Skill-A-Thon this year and look forward to meeting you. The contest will be held at the Lone Star College Campus- Montgomery, that is located in The Woodlands at **3200 College Park Drive, Conroe, TX 77384**.

**Upon arrival:**

- Please register at the MCC Building first before checking in at your contest building. Attached is a campus map to assist you with locating check in and your contest building.
  - At this time, you will receive your name badge, along with District 9 swag
- After you have completed check in, please arrive at the holding room **B114 in Building B at least 15 minutes before 1:00 PM. Contest will begin promptly.**

-

**Contest Housekeeping:**

- Members will be required to fill out a scantron for this contest, so please make sure that they are prepared for this with multiple pencils, an eraser, and a clipboard.
  - The scantron being utilized is the Horticulture, where members will record both their test answers and ID answers.
- Members will be provided with drop sheets to record their answers that they are allowed to keep at the end of the contest.
- Members will also be provided with the ID section list.
- **ONLY SENIOR MEMBERS** will be performing the hands-on practicum portion of the Skill-A-Thon
  - **Junior and Intermediate** members will participate in the three ID sections and a shortened exam.

-

If you have any questions or concerns, please contact your County Extension Agent first. This will ensure that all those involved will be included in the communication.

-

We look forward to seeing you and cannot wait for a wonderful contest!

Thank you,  
Katie Pace and Steven Frederick
