JOHN SMITH
742 EVERGREEN TERRACE
SPRINGFIELD OH 45506

DATA RELEASE NUMBER (DRN): 2245
EXPECTED FAMILY CONTRIBUTION (EFC): 00000 C

Dear JOHN SMITH,

Your Student Aid Report (SAR) Acknowledgement summarizes the information you submitted on your 2010 - 2011 Free Application for Federal Student Aid (FAFSA).

Application Status (review the checked boxes)

- ☒ Your FAFSA appears to be complete. Review the data on page 2 and 3. We may have assumed certain information to calculate your eligibility for federal student aid. We printed any assumptions we made and the word "assumed" for the items on the back of this page. If you need to make corrections, you can go to www.fafsa.gov and use your Federal Student Aid PIN to access your information or you can contact the financial aid office at one of the schools you listed on your application for assistance. The school(s) listed on your FAFSA will receive your information.

Federal Student Aid Eligibility (review the checked boxes)

The data submitted on your FAFSA is used to calculate your Expected Family Contribution (EFC), which is 00000.

The EFC is not the amount of money that your family must provide. Rather, you should think of the EFC as an index that colleges use to determine how much financial aid you would receive if you were to attend their school. Financial aid may include grants (free funds that do not have to be repaid), low-interest loans (borrowed funds that must be repaid), and/or work-study (paid part-time employment). This award information will vary from college to college because the cost of attending each is different. Please note that your EFC is subject to change if you update or correct your FAFSA. For more information about the EFC and other sources of aid, go to www.FederalStudentAid.ed.gov/aidinfo.

- ☒ Based on your EFC it appears that you may be eligible for a Federal Pell Grant of up to \$5350, in addition to other grants, low-interest student loans, and work-study opportunities. Your FAA will determine what types of aid and how much you are eligible to receive.
- ☒ You may also be eligible for the Academic Competitiveness Grant (ACG).
- ☒ We sent your information to other federal agencies through computer matching programs to verify your eligibility for federal student aid and there appears to be an issue with the information provided on your application. You can review information about these issues by going to www.fafsa.gov and selecting "View and Print Your Student Aid Report." You must work with your financial aid office to resolve any data matching issues before we can determine if you are eligible to receive federal student aid.
- ☒ Unless you are completing the verification process, it may be too late for you to make corrections or give us any more information this year. If you are completing verification and you need to correct your information, contact the FAA at your school for assistance. We must have your corrections no later than September 17, 2011.

You should keep this SAR Acknowledgement for your records!

SECTION 6: Financial Narrative

- When writing the narrative, let the judges know why you need financial aid.
(HINT: DO NOT start the narrative with the words “I deserve this”). Even if you have a high FASFA score you can still score points for the Financial section here!
- Information pertaining to cost of college can be received from University’s financial aid department, University catalog, or Texas Higher Education Board website:
<http://www.collegeforalltexans.com/> .
- Tell Your Story – good or bad
- Do you plan to work while in college?

Financial Information

✓ SECTION 6: FINANCIAL INFORMATION

Each applicant is **REQUIRED** to complete a Free Application for Federal Student Aid (FAFSA) and submit the FAFSA Student Aid Report (SAR). Summary pages and/or submission confirmation is not acceptable. **Please** note that it takes approximately three to four weeks after submitting the application for you to receive the report.

Things to Remember

- This is a **COMPETITIVE ACADEMIC** scholarship process.
- An application is competing against the pool of applicants from across the state – the best from across the state!
- Applicants change each year! (just because “it worked” for someone last year on their application, does not mean it will work this year)
- Judges change each year!

Things to Remember

- No quotas are set for counties, districts, or regions!
- Fort Worth Stock Show is the only livestock show donor that requires participation in their show.
- DONORS set the criteria!
- Make sure high school academic proficiency has been met and college entrance exams have been taken early and often.

Things to Remember

- Each applicant receives a total score. Scores are sorted highest to lowest and applicants are matched with the MAXIMUM dollar scholarship for which the applicant qualifies.
- Scholarships restricted to a major, a college, and/or course of study is verified each semester during the duration of scholarship. **DON'T LIE TO GET A SCHOLARSHIP – IT WILL CATCH UP TO THE APPLICANT!**

Things to Remember

- Narratives that have only been written once are rarely effective!
- Printer problems and computer crashes are a fact-of-life, plan ahead and manage your time.
- High school counselors need time to collect official transcripts for submission.

The number one thing to remember:

***START EARLY,
EDIT OFTEN!***
